MICROCHIP IDENTIFICATION

This package is for an indoor/outdoor kitten approximately 7 weeks of age. If your kitten is older or has had some vaccines we will tailor the package to your kitten's specific needs. If your kitten is going to be strictly indoor, we do not recommend the FeLV vaccine. The microchip is also optional. This package is non-refundable and non-transferable. The total package must be paid in full at the time of the first office visit. This package is a "well" package. If your kitten becomes ill or injured, the cost of treatment is not included in this package. This package does not include the cost of spay or neuter. Please contact our office for the current price of the kitten package. 510-657-4060
