MICROCHIP IDENTIFICATION

This package is for a city puppy approximately 7 weeks of age. If your puppy is older or has had some vaccines we will tailor the package to you puppy's specific needs. If your puppy will be going hunting or to the mountains there are other vaccines that are recommended for their protection. The microchip is also optional. This package is non-refundable and non-transferable. The total package must be paid in full at the time of the first office visit. This package is a "well" package. If your puppy becomes ill or injured, treatment costs are not included in this package. This package does not include the cost of spay or neuter. Please contact our office for the current price of the puppy package. 510-657-4060
